VIII INTERNATIONAL FASCINATION OF PLANTS DAY IN UKRAINE**

Fascination of
Plants Day
May 18th 2026

The European Plant Science Organisation (EPSO) jointly with over 64 National Coordinators across the globe proudly announces the launch of the **8th edition** of the **Fascination of Plants Day (FoPD)**, scheduled to take place on and around **May 18, 2026**. Fascination of Plants Day (FoPD) is a biennial celebration initiated by the European Plant Science Organisation (EPSO) to highlight the importance of plant science in addressing global challenges. Since 2012, FoPD has grown into a global movement, engaging communities worldwide in activities that promote an appreciation for the diverse world of plants.
